

Realtime in Bolzano with FOSS & OpenData

Markus Windegger
SASA SpA-AG

Free Open Source Software

Given enough eyeballs, all bugs are shallow.

- Raymond, Eric S.

SASAbus.org is all about the community!
Designers, Architects, Developers, Project Managers and other specialists have contributed to making, maintaining and improving the APIs and APIs.
If you would like to join the discussion about leveraging SASAbus.org APIs and using the Open Data APIs, one easy way to get in touch is joining the mailing list.

Meet the community members who have contributed to the community.
A big thank you goes to our contributors.

TIME 17:42

Without change there is no innovation, creativity, or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable.

- William Pollard
